

INTERNSHIP AGREEMENT

This is an internship agreement among _____(student), WABI TV5 (business) and _____(school). All parties agree that this internship is an unpaid hands-on work experience designed to provide the student with an opportunity to implement and build upon his/her instruction and training.

The Student needs to recognize that this internship is the equivalent of an entry level position which requires observance of all traditional elements of employment. These include, among others, to follow the direction of your supervisor _____ or the designated representative, professional work habits and a positive attitude. To work no less than _____hours for which the school will award _____credits upon completion of the internship. To keep a written log of all hours worked and a brief description of the duties performed.

WABI TV 5 will provide the student with training and supervision in areas agreed upon by the student and supervisor. WABI TV 5 will also fill out any evaluation forms provided by the school upon completion of the internship.

The term of the internship will be _____, 20__ through _____, 20__.
